In this issue:

- **MAIN FACS REMINDER – INDEXES AND PCAS STARTING WITH ‘99’**

MAIN FACS REMINDER – INDEXES AND PCAS STARTING WITH ‘99’

MAIN FACS would like to remind agencies that Indexes and PCAs that start with ‘99’ must not be inactivated - - these high numbers are used to generate statewide transactions. If you have any questions on Indexes and PCAs that are used statewide (e.g., payroll, MAIN or Treasury), please contact your OFM agency liaison or the OFM Help Desk.
